

The online searchable Schedule of Classes is called the “Class Search”. People with access to Pathway should log-in to Pathway to view the Class Search.

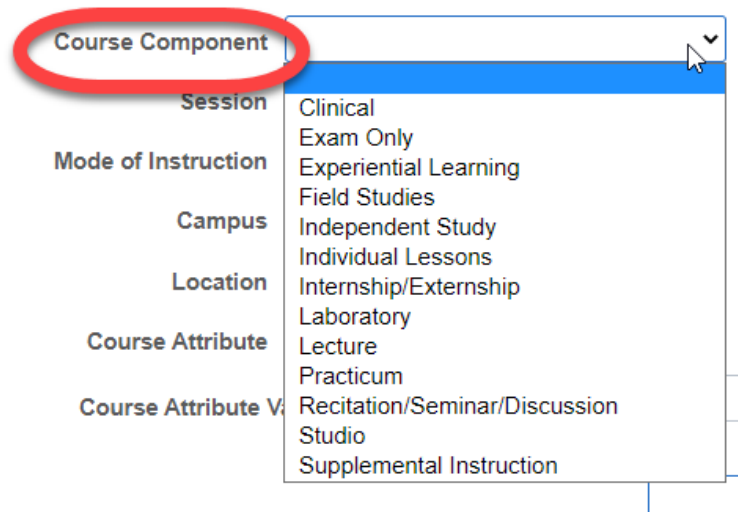

If you do not have an SSO and password for Pathway see:

https://access.umkc.umsystem.edu/psp/prdpa/EMPLOYEE/SA/c/COMMUNITY_ACCESS.CLASS_SEARCH.GBL?&AITS_HDR_CODE=2 for a link to the guest version that does not require log-in. The Class Search will display all classes offered for the term.

1. If you logged into Pathway to view the Class Search, select the **Manage Classes** tile
2. Select the term for which you want to look-up classes from the drop-down menu.
3. You must select at least 2 search criteria
 - a. One of the easiest ways to search for classes is by **course subject** (English, Math, History, etc.) and **course career** (Undergraduate, Graduate).

4. There are a multitude of Additional Search Criteria to choose from if you are looking for something specific.
 - a. Search by **Course Component** if you are looking for classes that are Lecture vs. Laboratory

- b. Search by **Session** if you want to find a class that meets outside of the “regular” term, for instance a class that meets in the **Second Eight Weeks** of a Fall Term.

A screenshot of a search filter dropdown menu. The menu is open, showing a list of options. The options are: 10 Week, April Session, August Intersession, August Session, Block 1, Block 1 & 2, Block 10, Block 10 & 11, Block 11, Block 11 & 12, Block 12, Block 12 & 13, Block 13, Block 13 & 1, Block 2, Block 2 & 3, Block 3, Block 3 & 4, and Block 4. The 'Session' option is circled in red. The dropdown is currently set to 'Session'.

Note: Month long and block sessions are only used for the School of Medicine.

- c. Search by **Mode of Instruction** if you want to find all **Online** classes or only **Classroom Based** courses.
d. Search by **Course Attribute Value** if you want to find all **Eureka Courses** or all **UMKC Essentials** courses. First select **Section Information** for the Course Attribute then select the Course Attribute Value you wish to search.
