

**ARTICULATION AGREEMENT  
BETWEEN**

**The Board of Trustees on behalf of Johnson County Community College  
and the Curators of the University of Missouri  
on behalf of the University of Missouri-Kansas City  
School of Nursing for the Pre-licensure Program**

**OVERVIEW:**

This formal program articulation agreement is made and entered into by the Curators of the University of Missouri on behalf of the University of Missouri-Kansas City, hereinafter referred to as UMKC, and the Board of Trustees of Johnson County Community College, hereinafter referred to as JCCC. By this agreement, JCCC and UMKC express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

**PURPOSE:**

This agreement provides students the opportunity to work with both JCCC and UMKC to take appropriate general education credits at JCCC while working with UMKC to meet their program course requirements and will apply such to the Bachelor degree in a manner consistent with the treatment of native students.

**CONDITIONS OF TRANSFER:**

**Section I: Admissions and Matriculation**

JCCC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as UMKC native students enrolled under a specific catalog. JCCC students will not be disadvantaged in the transfer process. JCCC, upon request of students, will provide verification of completed courses to UMKC through its Office of Admissions. The transcript of students transferring from JCCC will be evaluated by representatives from the School of Nursing and Records and Registration Office at UMKC.

**Section II: Transfer of Credit**

A maximum of 46 credit hours will be accepted by UMKC from JCCC to be applied to the Bachelor of Science in Nursing.

Transfer students from JCCC, upon acceptance into the designated program at UMKC, will have sophomore standing at UMKC.

To be admissible to the School of Nursing programs, a student must have completed the required courses for application to the nursing clinical program. At the time this document is being executed, students are required to complete 79 hours of coursework at UMKC and University of Missouri GPA of at least a 2.75.

### Section III: Program Plan

Students falling under this program articulation agreement will be responsible for successfully completing the requirements which can be found at <http://www.umkc.edu/articulation/> or [www.jccc.edu/home/depts.php/5303/site/toc\\_transfer/transfer/mu\\_kc](http://www.jccc.edu/home/depts.php/5303/site/toc_transfer/transfer/mu_kc).

#### TERMS OF AGREEMENT:

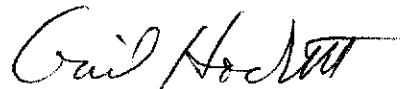

This agreement is made and entered into in the academic year 2009-2010 and remains in force unless changed in writing by mutual agreement of both parties. The agreement may be amended at any time by either party and must remain consistent with respective School of Nursing and JCCC degree requirements. Should either party desire to discontinue this agreement, advance notification of two years will be required.
