

**ARTICULATION AGREEMENT
BETWEEN
THE METROPOLITAN COMMUNITY COLLEGES
AND
The CURATORS OF THE UNIVERSITY OF MISSOURI
on behalf of
UNIVERSITY OF MISSOURI-KANSAS CITY
SCHOOL OF NURSING**

OVERVIEW:

This formal program articulation agreement is made and entered into by the Curators of the University of Missouri on behalf of the University of Missouri, Kansas City, hereinafter referred to as UMKC, and the Junior College District of Metropolitan Kansas City, Missouri, hereinafter referred to as MCC. By this agreement MCC and UMKC express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

PURPOSE:

This agreement provides students who have earned an Associate in Arts the opportunity to complete a Bachelor of Science in Nursing at UMKC. Any Metropolitan Community College student who has earned an Associate in Arts is guaranteed that UMKC will accept designated freshman and sophomore all general education credits and will apply such to the Bachelor of Science in Nursing degree in a manner consistent with the treatment of native students.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

MCC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as UMKC native students enrolled under a specific catalog.

Criteria for acceptance into UMKC will be the same for transfer as for native students.

MCC, upon request of students, will provide verification of completed courses to UMKC through its Office of Admissions and Records.

The transcript of students transferring from MCC will be evaluated by representatives from the Nursing Program and Registrar's Office at UMKC.

Transfer students from MCC will have access to financial aid, scholarships, and student services on the same basis as native students.

Minimum grade standards for academic progress and graduation from MCC will be subject to no further review by UMKC.

UMKC will apply the same academic progress and graduation standards to MCC transfer students as those applicable to native students at UMKC.

Section II: Transfer of Credit

A maximum of 65 credit hours will be accepted by UMKC from MCC to be applied to the Bachelor of Science in Nursing.

Transfer students from MCC, upon acceptance into the Nursing program at UMKC, will have junior standing at UMKC.

Section III: Program Plan

Students falling under this program articulation agreement will be responsible for successfully completing the following requirements.
