This application form is to be used if you wish to attend the University of Missouri-Kansas City for only one semester or summer term as a dual credit or visiting student from high school. Your classes will be conducted on UMKC's campus.

This form must be completed by you, signed by a parent as well as your high school counselor or principal, and returned to the Admissions Office at UMKC prior to the beginning of the semester.

Admission as a certification student is not the same as admission to a degree program. If you wish to be considered as a freshman you must submit a regular application (available at www.umkc.edu/admissions) and a high school transcript with rank in class and admissions test scores as outlined in the instruction sheet with applying for admission to the University.

Non-resident students should refer to the Fees and Expenses section of the Schedule of Classes/Advisement and Registration Guide (Class Schedule) for the term for which enrollment is sought for information regarding payment of out-of-state tuition.

Admission by high school certification does not imply space is available in the specific courses you are requesting. Your enrollment may be subject to the availability of class spaces at the time of your registration.

Conditions for enrollment

What advantages are there for me as a dual credit or visiting student from high school?

- Transcripts of your current or previous college or high school coursework are not required.
- You are not required to pay an application fee.
- You may begin your college education early, saving time and money.

What limitations are there for me as a UMKC dual credit or visiting student from high school?

- You are not eligible for financial aid or scholarships.
- You are not eligible for academic advising.
- You may only register for classes during open registration (see Registration Guide at www.umkc.edu/registrar). Some classes are not open to visiting students from high school.
- Admission as a dual credit or visiting student from high school is for only one term. If you wish to attend a second or consecutive term you will need to complete either a regular application for admission or a dual credit or visiting student high school application.
- As a dual credit or visiting student from high school, you will acquire a grade for your class and a UMKC GPA. That GPA is an official record of your work in the University of Missouri System and may be used to determine admissibility should you seek regular admission to UMKC or another college or university.
- Hours accumulated as a dual credit or visiting student from high school may or may not count toward degree completion at UMKC, depending on the specific requirements of the degree program you enter.
