People teaching people since 1970

This is Community—Spring 2008 issue #132 which is published five times per year in August, October, January, March and May. Each issue of Community introduces you to a world of people and ideas through classes, events and services unique to this area. Today there is no other metropolitan area in the entire country with an all-volunteer program that offers such a variety of classes at our nominal price. Whether you take a class, offer a class, or advertise a seminar or business, Community is a great place to reach people who enjoy doing, learning and experiencing. You can find us at: Community/UMKC, 5327 Holmes, KCMO 64110 or www.umkc.edu/commu.
