### Cinematic Journeys

Mike and Vicki Walker spent the summer of 2006 searching for classic movie theaters still operating. The result of their efforts is their new book, *Cinematic Journeys*. Mike and Vicki will share their experiences, movie theatres, histories, and nostalgic movie memories. Find out which theatres are haunted by ghosts! Mike is a freelance writer and former sports editor for the Pitch. Mike is also the owner of How High the Moon Publishing, and is the publisher of two books.

### Success With Mutual Funds

Mutual funds are one of the best options available today offering the opportunity to participate in the stock market while reducing the risk of individual investments. But the S&P 500 averaged 12.2% while the average mutual fund investor gained only 2.7%. Why? Learn how to successfully use mutual funds to accumulate wealth for your educational goals, retirement strategies or any other long-term financial goal you might have. John has 13 years' experience helping people reach their financial goals. He is an independent financial services representative.

CONVENER: John Ehler

### Protecting Your Child With Special Needs

No matter what the age or disability, parents of children with special needs have many serious questions about how best to provide for their child's future well-being. We realize that you face unusually difficult planning decisions regarding the welfare of your child. The most important of those is probably how to provide for ongoing care after your death. If assets are not properly structured, government benefits could be lost and/or personal assets depleted. Come learn more with Scott.

**Building Your Financial Portfolio on \$25 a Month (or less)**

Join California writers Bobbie and Eric Christensen for an information packed seminar that will show you in easy-to-understand language how to find investments so safe that they are recession proof, yet are growing 50% to 100% or even more in value every year, and how to do it all without paying any broker fees or expenses. The Christensen's are not stock brokers or financial advisors but are investors just like you who have used this method for safe investing for over 20 years. They will explain: WHAT your broker will never tell you, HOW to find safe and secure investments, HOW to invest without using a broker, WHY picking individual stocks is much safer than mutual funds, WHAT splits, and dividends, direct cash are, plus much more. "Simply the best investment book yet! Extremely practical!" Optional book available for \$15.

**Summer is a Great Time  
to De-Clutter**

NEW

Instead of sitting around feeling bad, get new energy by clearing out your old stuff. Keeping excess and living with a mess makes you tired and depressed, keeps you stuck, and prevents better things from entering your life. Using Feng Shui and spiritual principles, I will get you motivated to simplify, and show you how to do it effectively. This approach is much deeper, more empowering and long-lasting than merely "getting organized." You'll learn how to define clutter, why you keep it, and the personal and spiritual benefits of clearing it. Carol Meyer teaches spirituality, lives simply, and publishes a spirituality newsletter. Bring \$3 to class for materials

CONVENER: Carol Meyer (913-677-8672) E-mail: wisdomways@planetkc.com Web site: www.wisdom-ways.org

**Tuck Pointing**

Does your foundation have cracks, crumbling mortar or other kinds of disrepair? Learn how to prepare and repair those spots so it will last. Bring work gloves if you'd like or simply come and observe as we repair a portion of a stone foundation. \$3 for handouts detailing process, tools, materials and where to buy them. Don't forget to wear your sunscreen! If the weather is foreboding, we will repair an interior section of the basement. Zoe is an artist at large whose favorite mediums include cooking, gardening/landscaping and stone masonry.

**First Time Home Buyers Seminar**

We cover all of the meat and potatoes of buying a home, such as: How to improve your credit score in order to obtain the best interest rate, the common mistakes that most first time home buyers make, how to buy a home for less than \$100, the home buying process in a nutshell, and the latest mortgage "lingo" out there. I've lived in KC my whole life and graduated from KU with a degree in Math Education. I have helped people buy and sell homes for over 3 years and love to teach First time Home Buyer Classes. I have taught this class for 3 years now.

**Mediation for Beginners**

This short session will introduce you to the basics of mediation. Class led by a former Kansas Supreme Court approved mediator/trainer and coordinator of small claims mediation program. You'll have time to ask questions about civil, family/domestic, victim-offender, peer (school) and probate mediation. Learn the differences between mediation and arbitration. If you want to know how mediation can help resolve disputes or have been ordered to mediation by a court, this short session provides valuable information. I am the author of *Mediation Survivor's Handbook* and a member of Heartland Mediators Association and the Association of Missouri Mediators.

**Introduction to 3D Graphics Using Blender**

Are you an artist, designer, or graphics enthusiast wanting to explore 3D? Learn how to make 3D objects in using the excellent free Blender software. We will cover the interface, modeling, basic lighting and animation. It's going to be a tight 3 hours! You will be able to render out still images and short video clip animations of your models. 3D is challenging, so we will also provide CD learning resources for your ongoing education. This is an intro class for Blender only. Mike has been a Blender 3D modeler since 2002 and has used it to produce images and animations for many design and video projects. He is a content designer at Rise Vision and freelancer. Mike's other softwares of choice are Photoshop, Indesign, Xara, Inkscape and Flash. Instructor's website: www.smick.net

**Return to the River Front...The Town of Kansas**

A walking tour of Kansas City's *Old Town Historic District*, originally established by Chez lez Canses by Francois Chouteau as a fur trading post in 1826. Men had traversed this area before Lewis and Clark's *Voyage of Discovery* due to the fur trade. The Missouri River is responsible for the growth of this settlement which became the Town of Kansas in 1850. We will discuss significant architecture and the area's history as we hike. \$10 material fee includes brochure which features maps with architectural and historical dialogue. Refreshments served at the conclusion of the hike.

#2703 A

**The Village of West Port--The Gateway West**

By 1836 the village had a population of 50 and its fame grew as the settlement served as the last place to obtain supplies for immigrants heading west on the Oregon, Santa Fe and California trails. By 1860, the settlement had a population of 5000 with 500 wagons leaving daily in the spring. Walk the streets, view the architecture and learn about this significant gateway west. \$10 material fee includes brochure which features maps with architectural and historical dialogue. Refreshments served at the conclusion of the hike.

CONVENER: Lucinda Rice-Petrie (816-931-8448)

#2704 A

**Quality Hill: Kansas City's Silk Stocking Ridge**

This area rests on the highest elevation in Kansas City, the extreme northwest point of which is the area where Lewis and Clark camped on Sept. 15th, 1806. The neighborhood reached its zenith during the 1880's real estate boom. Leading citizens were attracted to the area where mansions were built. Its location offered scenic views of the Missouri and Kansas rivers with easy access to the developing business district to the east. \$10 material fee includes brochure which features maps with architectural and historical dialogue. Refreshments served at the conclusion of the hike.
