

President's Award for Outstanding Teaching

For a Ten-Year Career on a Missouri Campus

Purpose

The Presidential Award for Outstanding Teaching recognizes outstanding teaching over a teaching career of no less than 10 years at a University of Missouri campus. The recipient may be asked to participate in future system or campus-wide teaching forums.

Award Amount

The award carries a stipend of \$15,000, less applicable taxes.

Eligibility

Nominees must be tenured faculty members with at least 10 years of service on a University of Missouri campus. Each campus may submit one nominee.

Nomination Format

All nomination materials must be submitted electronically.

The format, which must be used for the nomination package, is described below. All nominations should contain evidence of outstanding and innovative teaching sustained over a decade or more, and all documentation and letters of support should be specific to this competition.

Nomination packages should include:

1. **Cover Page** (*include name of award, year of nomination, and nominee's full name, title, department, unit and campus*)
2. **Table of Contents**
3. **Statement of support from the nominator**
4. **Nominee's curriculum vitae**
5. **Nominee's personal philosophy of teaching statement, including how research and service are reflected in teaching**
6. **List of courses taught by nominee** (*include number of credits and enrollment for each course*)
7. **Summarization of all course evaluation data** (*separate for each course, include departmental norms, multiple sources and method of solicitation - EXCLUDE raw data*)
8. **Complete List of References Submitting Supporting Letters** (*including qualifications and relationship to nominee. Provide a short description of those who are writing support letters. Descriptions should be succinct and along the lines of what is normally provided for P&T dossiers. Describe procedure used to solicit letters of support.*)
9. **A maximum of 15 letters of support** specifically for this award from alumni, students and peers. (*Provide a short description of those who are writing support letters. Descriptions should be succinct and along the lines of what is normally provided for P&T dossiers. Describe procedure used to solicit letters of support. This does not include the summaries of teaching evaluations.*)

President's Award for Outstanding Teaching

For a Ten-Year Career on a Missouri Campus

10. **Course syllabi** (*maximum of 3 samples*)
11. **Integration of Teaching & Research Evidence** - Offer evidence of how candidate's teaching and research efforts are integrated.
12. **Awards** - Describe the nature and number of teaching awards offered on campus as well as an explanatory sentence describing the awards the candidate has won, if applicable.

Submissions

Submit all nomination materials electronically via email to awards@umkc.edu. E-mail 'Subject' line must be "**President's Outstanding Teaching Nomination**" followed by nominee's **LAST, FIRST NAME**.

Preferred material submission format is one **Combined PDF Document** or **PDF Portfolio**.

Documents must be arranged in the order shown above. All file names must include a reference to the document type and nominee's last name, for example "**CV SMITH.pdf**" or "**Personal Philosophy SMITH.pdf**."

Deadline

January 15

Previous Recipients

Year	Honoree	Department	Campus
2009	John E. Adams	Professor of Chemistry	UM-Columbia
2008	Kathleen Kilway	Associate Professor of Chemistry	UM-Kansas City
