The consortium also establishes the terms under which financial aid is awarded for the courses in question. If you are receiving aid and want to have that aid help cover the costs at the other school, contact the Financial Aid and Scholarships Office at 816-235-1154.

12. Will I get one bill or two?

You will receive a bill from each of the campuses in which you are enrolled. The billing statement will be sent to your UM assigned email account.
