

Pathway help: Accessibility Layout Mode

Y OFFICE OF REGISTRATION & RECORDS

The Accessibility Layout Mode in Pathway will allow individuals with disabilities who use a screen reader or other assistive technology to more effectively interact with the Pathway system.

How to: Turn On/Off Accessibility Layout Mode in Pathway

- 1. Log into Pathway.
- 2. Click the Three dots in the upper right corner
- 3. Select My Preferences.

4. Under General Options, use the Accessibility Layout dropdown to turn the screen reader mode

off or on.

	My Preferences	
✓ General Options		
✓ General Options	Accessibility Layout	Screen reader mode off 🗸
✓ General Options	Accessibility Layout	Screen reader mode off Screen reader mode off

5. Sign Out from **Pathway** and **log back in** for the changes to apply.
