umkc.edu

UMKC is an equal opportunity/affirmative action institution.
Relay Missouri: 800-735-2966 (TTY).

Use this application if you wish to attend the University of Missouri-Kansas City for only one semester or summer term as a dual credit or visiting student from high school.

The completed form must be signed by a parent or guardian and your high school counselor or principal and returned to the UMKC Admissions Office before the semester begins.

Admission as a certification student is not the same as admission to a degree program. If you wish to be considered as a freshman, you must submit a regular UMKC application, a high school transcript with rank in class, and admissions test scores as outlined in the instruction sheet dealing with applying for admission to the university.

Nonresident students should refer to the Fees and Expenses section of the Schedule of Classes/Advisement and Registration Guide (Class Schedule) for the term for which enrollment is sought for information regarding payment of out-of-state tuition.

Admission by high school certification does not imply that space is being reserved for you in the courses you request. Your enrollment will be subject to the availability of class spaces at the time of your registration.

About the High School Programs

What are the advantages of being a dual credit or visiting student from high school?

- Transcripts of your current or previous college or high school coursework are not required.
- You are not required to pay an application fee.
- You may begin your college education early, saving time and money.

What are the limitations to being a UMKC dual credit or visiting student from high school?

- You are not eligible for financial aid.
- You are not eligible for academic advising.
- You may register for classes only during open registration (see Registration Guide). Some classes are not open to visiting students from high school.
- As a dual credit high school student, you will be limited to taking the college classes offered at your high school.
- Admission as a dual credit or visiting student from high school is for only one term. If you wish to attend a second or consecutive term, you will need to complete either a regular application for admission or a dual credit or visiting student high school application.
- As a dual credit or visiting student from high school, you will acquire a grade for your class and a UMKC GPA. That GPA is an official record of your work in the University of Missouri System and will be used to determine admissibility should you seek regular admission to UMKC or another University of Missouri school.
- Hours accumulated as a dual credit or visiting student from high school may or may not count toward a degree at UMKC, depending on the specific requirements of the degree program you enter.
