# STUDENT-SPECIFIC INSTRUCTIONS

## INTERNATIONAL APPLICANTS

International students should not complete this application. Applications are available at the International Student Affairs Office, 5000 Holmes St., G-04, Kansas City, MO 64110; at [umkc.edu/isao](http://umkc.edu/isao); or by email at [isao@umkc.edu](mailto:isao@umkc.edu).

## INTERDISCIPLINARY Ph.D. APPLICANTS

For application materials, contact the School of Graduate Studies at 816-235-1161 or visit [go.umkc.edu/iphd](http://go.umkc.edu/iphd). If you are sending information, mail to: University of Missouri-Kansas City, School of Graduate Studies, 345 Administrative Center, 5115 Oak St., Kansas City, MO 64112.

## GRADUATE APPLICANTS

Graduate applicants should complete pages 5 and 6 of this application. Admission is based upon criteria of the academic unit. For more information, contact the school offering the program or visit [umkc.edu/catalog](http://umkc.edu/catalog).

## READMITTED STUDENTS

>> Former students who attended another institution after leaving UMKC should use this application or apply online. Submit all transcripts of college work taken since attending UMKC.

>> Former students who did not attend another institution and who were not enrolled at UMKC in the semester before the term in which they want to enroll should complete a request to re-enroll. Find this form at [go.umkc.edu/readmit](http://go.umkc.edu/readmit).

## VISITING STUDENTS

If you wish to take courses for personal enrichment or are a degree-seeking student at another institution and would like to take courses to transfer back to your home institution, complete the Visiting Student Application at [go.umkc.edu/visiting](http://go.umkc.edu/visiting). Visiting students are not eligible for financial aid.

# SPECIAL ADMISSION CATEGORIES

## Provisional Admission

Applicants who do not meet the standards for regular admission may be considered for provisional admission to UMKC. If admitted, students may be required to participate in an academic support program as a condition of their admission. Supporting documentation may be requested.

## GED High School Equivalency

Students can apply for admission based on the General Educational Development or High School Equivalency tests. The GED or HiSET scores must be passing in each area. GED or HiSET applicants also must submit an ACT composite score of at least 24. Students not meeting these criteria may be considered for provisional admission (see above) or mature adult admission (see below).

## Mature Adult

Students who graduated from high school more than five years prior and have fewer than 24 transferable college credits may qualify for mature adult admission consideration. These students must submit high school transcripts or GED or HiSET, any college transcripts, ACT/SAT test results or an ACT test waiver. Students should contact the Office of Admissions to obtain the ACT test waiver petition if needed.

## Dual High School/University Enrollment

High school students can be admitted in a special student category and take college courses concurrently with high school courses. Students must submit a special application for admission available at [umkc.edu/apply/special.asp](http://umkc.edu/apply/special.asp). Students are admitted based on academic standards that exceed those required for admission from high school. Admissions are limited and are subject to the space available in, and completion of prerequisites for, the desired course or courses.

## Home-Schooled Graduates

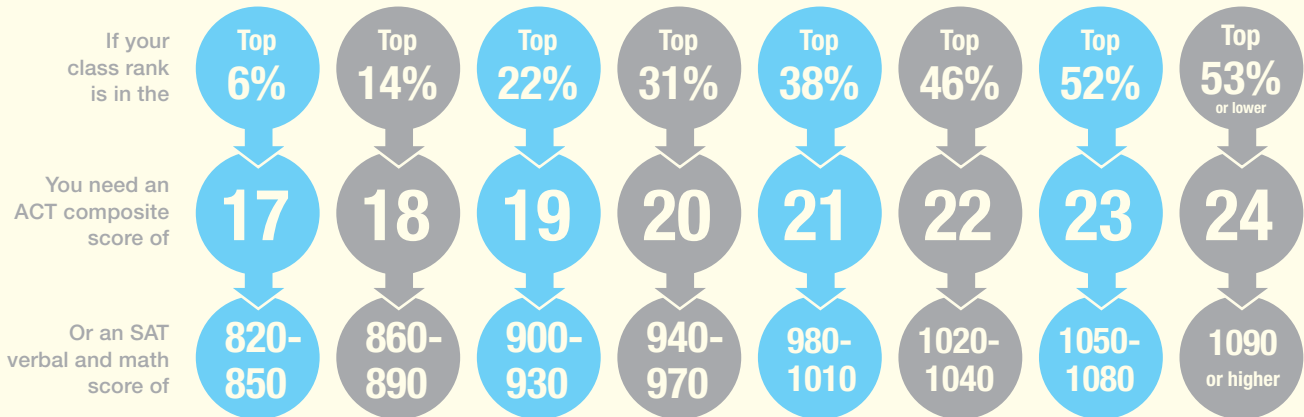

Graduates of home-school programs are required to complete the 17-unit core college-preparatory curriculum (see page 4) and have a 24 ACT or 1090 SAT score for regular admission to UMKC. Students not meeting these criteria may be considered for provisional admission.

## Students Graduating Early From High School

High school students may be admitted before they graduate from high school if they have completed all the requirements for graduation from high school but will not receive a diploma until their class graduates. Eligibility for admission is determined by the procedures established for regular admission from high school. A high school counselor or principal must certify that all graduation requirements have been met. Students are admitted on an individual basis. The following information also is required: application for admission, high school transcript and letter of approval from a high school principal or counselor.

# FRESHMAN ADMISSIONS CRITERIA

Admission to UMKC is determined by a combination of high school curriculum, class rank, GPA and ACT/SAT scores.

If you have completed the required 17 units in high school (see list on page 4) and meet the standards in the chart above, you will be admitted to UMKC. Students who do not meet the automatic admission requirements may be reviewed individually for provisional admission (see page 2).

## COMPETITIVE ADMISSION

Admission to some academic programs is competitive, and admission to UMKC does not guarantee admission to a desired major. Students who are not admissible to these programs but who meet minimum criteria may be admitted to University College.

## MISSOURI ENHANCED ADMISSION

Missouri residents who graduate in the top 10 percent of their class and meet the 17-unit requirements (see page 4) are admissible regardless of ACT/SAT score. Those who graduate from a high school that does not rank students must have a 3.5 GPA in the 17 core curriculum classes.

## ADDITIONAL FACTORS CONSIDERED FOR ADMISSION

The university seeks a heterogeneous student body reflecting diversity of race, ethnicity, age and geography (including international students). Factors given prime consideration for admission to undergraduate study are applicants' previous academic success and the quality of records presented. Applicants who do not meet criteria set forth may be considered for admission by appealing and stating:

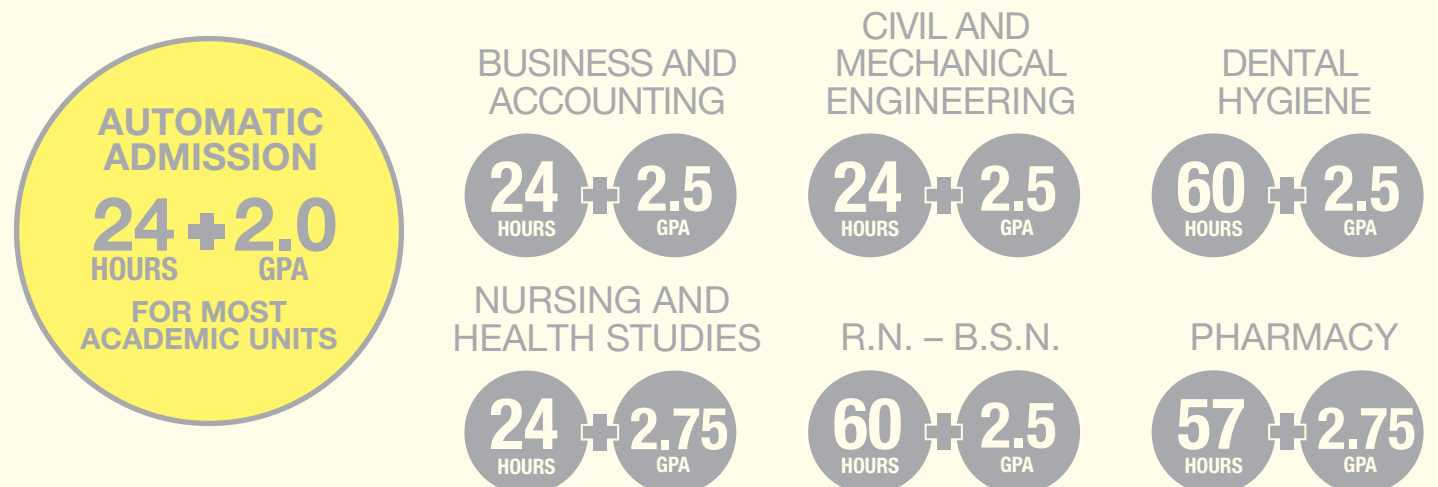

- >> The number and scope of college preparatory courses
- >> Evidence of marked improvement over time in high school academic record
- >> Extensive cocurricular activities involving school, community or church
- >> Outstanding talent or abilities
- >> Significant work experience or family responsibilities

# TRANSFER CRITERIA

UMKC values your previous college experience and strives to make the transition as easy as possible.

Applicants with 24 or more hours of transferable college-level coursework need an overall 2.0 GPA on a 4.0 scale in all coursework attempted at previous institutions. UMKC may recalculate GPAs as needed.

Applicants must have official transcripts from each college or university attended sent to the Office of Admissions before their application can be considered. If a student does not have 24 hours of transferable college-level coursework, admission is determined by including freshman admissions criteria. Some admissions decisions are made by the academic unit/department. Students who are not admissible to these programs but who meet minimum criteria for admission may be admitted to University College.

**Statement of human rights** It is the policy of the University of Missouri-Kansas City, within support from the Board of Curators, to provide an educational and working environment that provides equal opportunities to members of the university community. The University of Missouri-Kansas City is committed to maintaining a community that recognizes and values the inherent worth and dignity of every person, fostering tolerance, sensitivity, understanding, and mutual respect. In accordance with federal and state law and university policy, the University of Missouri-Kansas City prohibits unlawful discrimination based on race, color, sex, religion, national origin or ancestry, age, disability, sexual orientation, citizenship, or veteran status. The Division of Diversity, Access and Equity, 359 Administrative Center, 5115 Oak St., is responsible for all relevant programs. Please call 816-235-1323 for information or go to [umkc.edu/diversity](http://umkc.edu/diversity). People with speech or hearing impairments may contact the university by using Relay Missouri, 1-800-735-2966 (TTY).

**Students' right to know** In accordance with Public Law 101-542, UMKC reports 73 percent of its first-time full-time degree-seeking freshmen return the second year. The UMKC Police Department publishes an annual campus report on personal safety and crime statistics. The report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings owned or controlled by UMKC; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other matters. The report is available at the UMKC Police Department, 5005 Oak Street, or at [umkc.edu/adminfinance/policy](http://umkc.edu/adminfinance/policy).
