HYBRID MODEL

Online Program (June 7-June 24)

Students will participate in the first three weeks of the program virtually. Students will be participating in engaging and interactive online programming from 9AM-5PM Monday-Friday during these three weeks.

On-Campus Program (June 25- July 30)

Students who successfully complete the first three weeks of the online program with a 90% or higher attendance rate will transition to the last five weeks of the program which will be an on-campus experience. Students will reside in the residence hall and be enrolled in two courses and academic support programming from 9AM-5PM Monday-Friday during these five weeks. (Note: Optional weekend activities will be offered during the last five weeks of the program). Move in day is Friday, June 25.

Note: Because of the intensive nature of this program, students who accept this scholarship are asked to refrain from employment Monday-Friday during the eight-week program. Students can receive approval to work on weekends, if requested.
