Student: Making a Payment

How to pay in TouchNet if your balance is showing as a negative.

Anticipated aid may make it appear that your balance is negative and do not owe UMKC any money. Your balance may show a negative as a result of your current anticipated aid even if you owe for a prior term.

To make a payment when your balance is negative due to anticipated aid you can follow these steps.

1. Click on the circle the left of Current account balance
2. Click in the box on the right and type in the dollar amount of the payment
3. Check to make sure the payment amount is current next to Payment total
4. Click continue

The example below indicates that the current account balance is -842.79 (due to Spring 2021 anticipated aid) but still owes a balance for Fall 2020, Summer 2020 and Spring 2020 for \$152.21. To pay the \$152.21 owed for the prior terms you would need to follow the steps outlined in red.

Account Payment

Amount Method Confirmation Receipt

Payment Date: 1/14/21

Current account balance -\$842.79

Pay by term

Spring 2021 -\$1,000.00

Fall 2020 \$30.01

Summer 2020 \$27.20

Spring 2020 \$100.00

Payment Total: \$152.21

Please note that if you have a negative balance but no anticipated aid, you cannot make a payment in TouchNet. An example would be if you previously overpaid and there is a credit balance, credits were issued that create a credit balance, or your aid disbursed but has not refunded yet.
