Winter Report

Don't Forget to Read This!

Registrations are up from where they were a year ago. Considering our present economic woes, I guess we can't complain. Online registration may have helped our cause. Over 60% of our enrollments came in through our online system and this was our first semester using it.

Classes that did particularly well this semester include: Food Not Lawns, Build a Rain Barrel, I Want to be on the Radio!, Intro to Digital Photography, How to Market on the Internet, Paranormal Investigations, Bookbinding, and Art of Clay.

As a small way of saying thank you, don’t forget that you, as a convenor, can take one Communiversity class for free per semester (excluding material fees).

Call us at 816-234-1448 or visit us on the web at www.umkc.edu/commu.
