| DENTAL HYGIENE BSDH | 54.5%                        | 12 / 22                                     | 71.0%                           | 22 / 31                                  | 91.7%                        | 11 / 12                                     | 40.0%                           | 12 / 30                                  | 81.5%                        | 22 / 27                                     | 84.4%                           | 27 / 32                                  | 67.7%                        | 21 / 31                                     | 100.0%                          | 31 / 31                                  | 58.6%                        | 17 / 29                                     | 87.9%                           | 29 / 33                                  |

\* Indicates programs with fewer than 5

**POST-BACCALAUREATE OUTCOMES DATA NOTES:**

1. Knowledge and Outcome Rate data are available for AY's 2021-2025. Data collection methods for AY 2021-25 included the National Student Clearinghouse matching for continuing education 6-months (or more) after graduation, LinkedIn search for employment 6-months (or more) after graduation, and UMKC Advance employment match 6-months (or more) after graduation. Career Services began collecting the outcomes data with the AY2021 cohort, using the 12Twenty software service.
2. Known Post-baccalaureate Status is defined as "... the percent of graduates for which the institution has reasonable and verifiable information concerning the graduates' post-graduation career activities." (NACE, 2014)
3. Successful Graduate Outcomes is defined as "...the percentage of [known] graduates who fall into one of the following categories: employed full-time, employed part-time, participating in a program of voluntary service, serving in the U.S. Armed Forces, or Enrolled in a program of continuing education." (NACE, 2014)
4. Total degrees awarded by academic program/plan include those plans awarded to graduates with multiple majors or double degrees.
