

+ Easy Action Steps for Busy Senators

- Encourage faculty in your department to create a profile and register projects on UR- Linked: <http://www.umkc.edu/searchsite/database/index.shtml>
- Consider creating/revising courses for EUREKA designation. Rolling deadline.
- Acknowledge faculty mentors in your department -- round of applause at dept. meeting; acknowledgment in dept. newsletter or Web site; thank you note/e-mail.
- Make sure UR efforts in your department get “counted.” Send Jane Greer greerj@umkc.edu a quick e-mail with info about undergraduate researchers funded by NSF, departmental symposium featuring senior capstones, etc. E-mails welcome at any time!
- UR @ UMKC is a work-in-progress. If you have ideas, concerns or suggestions, please be in touch! greerj@umkc.edu.
