

Help shape the future of faculty & staff benefits and retirement programs

Nominate yourself or another for the UM System's Total Rewards Advisory Committee

The University of Missouri System's Total Rewards Advisory Committee is a committee of faculty, staff and retirees that provide advice and feedback to university administration regarding benefits, retirement, leave, and other related total rewards programs.

Beginning today through Friday, May 13, 2016, the Vice President of Human Resources is accepting nominations for individuals to serve on the Committee to replace members whose term is set to expire in June 2016. You may nominate yourself or another to serve on this Committee, which will be instrumental in the study, consideration, and recommendation of the university's Total Rewards programs. For more information regarding the charge of the Committee, please see the charter and other information provided at <http://umurl.us/trac>.

Nominees should be actively engaged faculty/staff members or retirees, viewed as informal leaders and resources by their peers. While a member may bring subject matter expertise to the Committee, it is not necessary to be considered for membership. Meetings will be held a minimum of six times per year, with additional meetings held as needed.

Nominations should be sent to the UM Human Resources Mailbox at umhrmailbox@umsystem.edu no later than Friday, May 13, 2016.

It is anticipated that the selection process will begin immediately following the nomination deadline, with members in place for an education session to be scheduled later in May.
