### **Theme 1 -- Place Student Success at the Center**

- 1.1 Improve Student Success through advising for all students, including transfer students
- 1.2 Expand high impact learning experiences
- 1.3 Offer excellent academic programs; expand program offerings, especially flexible program offerings
- 1.4 Expand online and distance offerings, including off-site offerings; expand use of technology in learning
- 1.5 Expand student academic support services

### **Theme 2 -- Lead in the Life and Health Sciences**

### **Theme 3 -- Promote Research and Economic Development**

Proposals addressing this theme should in some way enhance UMKC's commitments to innovation, entrepreneurship, and interdisciplinarity

### **Theme 4 -- Advance Urban Engagement**

### **Theme 5 -- Excel in the Visual and Performing Arts**

### **Theme 6 -- Embrace Diversity**

### **Theme 7 -- Increase sources of revenue to replace declining state funding**

- 7.1 Explore differential tuition for undergraduate units and other alternative tuition and fee options
- 7.2 Expand continuing education and professional master's degree offerings, especially in response to employers' needs
- 7.3 Expand partnerships with other universities, community colleges, and educational institutions
