

Cengage Unlimited Affordability Opportunity – Fact Sheet

University of Missouri – Kansas City

Cengage Unlimited is subscription access to 23,100 textbooks and courseware. The regular price is \$119.99/semester, and we have negotiated a reduction, giving us the ability to sell the subscription for \$49.95/semester. Print is available through free rental (\$8 shipping). It includes an integration with Canvas and full instructor supplements and support. All Cengage material, including those that are currently print will be converted to a digital format if this program is enacted.

Pros

- *Reduction of cost of course materials for students. The estimated savings is \$2.5 million/year systemwide. The average Cengage price is currently \$135.00.
- *All materials will be provided through AutoAccess - day1 availability
- *No handling of physical books (store savings/efficiency)

Cons

- *All or none – this price will only be available if all campuses participate and all Cengage content will be converted to this program
- *Format is digital – faculty that prefer to designate the format for their materials will no longer have the ability to do so through Cengage
- *Negative affect on campus budgets
- *Increased workload for store personnel and educational technology teams

Terms

- *Effective date 1/1/2019
- *40,000 subscriptions – minimum commitment per year (Fall, Spring, Summer)
- *Three year agreement, but can be cancelled after the first year
