

Senate recommendations:

Delete question #1, #5 and #6 from the instructor evaluation questions. #5 needs to emphasize outside structure time. Decoupling of the student participation in course questions. Some senators want to delete it, others want to retain it. **Instructor evaluations need to contemplate different online modalities.**

<b>Provost's Teaching Evaluations and Teaching Enhancement Task Force (May 2021)- About Instructor</b>
<ol style="list-style-type: none"><li>1. The instructor was well-prepared and presented course content effectively and in an organized manner.</li><li>2.
