UMKC Faculty Senate

January 29, 2002

3:00-4:30

Miller Nichols Library, Room 303

1. Budget mini-workshop (Larry Gates)

2. General budget questions
   a. Raises: Should UMKC aim for 4% pool? Should UMKC not give raises even if other UM campuses give them? Should staff and faculty above a certain salary not receive any raise but others below that figure still receive them?
   b. Curators Professors: Should UMKC award any new Curators' Professor designations with money this year? Should the designation still be awarded but without the money?
   c. Should UMKC continue with the Faculty Performance Shares program this year, but on a smaller level?

3. Unit reports on what is being discussed in departments and with academic deans regarding budget
