Dean’s Evaluation Form
Developed by the Administrative Issues Committee of the Faculty Senate
Approved by the Faculty Senate on December 7, 2004

On each of the following topics please rate the Dean's performance on the scale from excellent to very poor, or indicate that you lack sufficient information to rate him. Then, if you have any general or specific comments about any of these specific dimensions of the Dean's performance, or his performance generally, please type your comments anonymously on one sheet of paper and enclose it with the questionnaire. These comments are especially important as a way of giving substance to the rather abstract scales.
