Viewing Grades in Blackboard

(Audience: Students)

If instructors use the Blackboard grade center then it is possible to view the grades for that course.

Note: Only the grades in Pathway are considered the official UMKC grades.

1) From the Blackboard course site click on <Tools> in the Course Menu.

2) Then select My Grades.

3) My Grades shows a list of assignments as well as the grade associated with it.
4) Most grades will have the points or percentage awarded by the instructor. Or they will have a dash (-) showing that the assignment has not been completed yet.

5) The Grade Center symbols mean the following:
