Customizing your Personal Learning Space

You can customize the PLS by adding/changing profile images and color themes.

1) (a) Click on the drop down arrow in the top right corner of the page and (b) Select **Settings**.

2) (a) Upload a profile image by clicking **<Change Image>**. (b) Find the image and click **<Submit Query>**.

3) Select **Choose Theme**, select one from the drop down menu, then click **<Preview>** to view the new theme. Click **<Close>** after viewing the preview.

4) Click **<Submit>** at the bottom of the page when finished customizing the settings.
