Mobile Learning (ResponseWare) allows students to answer clicker questions using a Smart device with web capabilities. You can use any of the following devices:

- Apple iPhone
- BlackBerry smartphones
- Android devices
- Windows Mobile devices or
- Laptops, desktops, etc.

Follow the steps below to get started with ResponseWare.

1. Purchasing a license.
   1) Go to the Turning Technologies online store
   2) Enter the school code your Instructor provides.
   3) Select a ResponseWare license and click Add to Cart.
   4) When finished, click the “View shopping cart” icon in the upper right corner of the web page.
   5) Click Check Out.
   6) Enter your billing information and click Complete Purchase. It is strongly recommended to use your school e-mail upon checkout as the license code will be associated to that email.

   *Important:* A receipt will be sent to your e-mail containing the ResponseWare license code.

2. Creating your ResponseWare account.
   2) Click Create an Account Now.
   3) Enter the ResponseWare License code in the Enter License Code field.
   4) Enter an e-mail address in the E-mail field. Repeat in the Confirm E-mail field.
   5) Enter a password in the Create a Password field. Repeat in the Confirm Password field.
   6) Enter the text from the Security Image.
7) Click **Create Account**.
   A summary screen is displayed. An e-mail from support@turningtechnolgies.com will be sent to the email address provided containing the username, license information and device ID.

8) Click **Continue**.

If you are using a mobile phone or tablet, you can download the apps [here](#). Go down to the header that reads **Response Device/Tools**, and click the arrow next to **ResponseWare**.

3. Registering your license in Blackboard.
   1) To do so, you will need your device ID generated when you create a **ResponseWare** account. To see your device ID:

<table>
<thead>
<tr>
<th>From a Browser:</th>
<th>From the Apps:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Go to <a href="http://www.rwpoll.com">www.rwpoll.com</a>. Select Login to your Account. Log in.</td>
<td>Once you create a ResponsWare account, the device ID will be visible on the home screen when you launch the app.</td>
</tr>
</tbody>
</table>

   2) Log in to Blackboard.
   3) Enter ANY of your class sites and click **Tools** in the left side course menu.
   4) Click **TurningPoint Registration Tool**.
   5) Enter your device ID, and confirm it.
   6) Click **Submit**.
   
   **Note:**
   You can register the device ID in any of your Blackboard classes, even if you are using the device in another class or a future semester. The ID will be attached to your user account, and allow you to use a different device if needed.

4. Joining a class session.
