UMKC CONSTRUCTION UPDATE
June – August 2015

While UMKC is making a better home for its students, you may experience construction delays when traveling to campus. This update is specific to construction that will impact driving to Cherry Street Garage. Construction will take place on Oak St. between Volker Blvd and E. 50th St. (north of Cherry St. Garage). Oak Street will be condensed to one lane creating stop and go traffic.

While you may drive on Oak Street, below are options to get to the parking garage. Please reference the campus map on the reverse side of the enclosed Orientation Checklist to determine the best route:

Entering campus on the Northside of UMKC:

- From the intersection of Volker Blvd and Rockhill Rd where there is a fork in the road:
  - Drive uphill on Cherry St. (one way) towards Olson Performing Arts Center.
  - Turn right at E 50th St.
  - Turn left into Cherry St. Garage entrance and park on level 5.
  - Follow signs and staff to Orientation Check-In.

Entering campus on the West or Southside of UMKC:

- From the intersection of Oak St. and E. 52nd St near the Law Building:
  - Head East on E. 52nd St towards the Education Building.
  - Take the first left at the stop sign at Cherry Street. Continue up hill on Cherry St. passing Bloch Executive Hall, Student Union and Cherry Hall.
  - Take the first left after Cherry Hall to a garage entrance. An additional entrance is located on E. 50th St.
  - Park on level 5.
  - Walk to Miller Nichols Library & Learning Center for Orientation check-in.

Entering campus on the Eastside of UMKC:

- From the intersection of Troost Ave and E. 51st St near the General Services Building:
  - Drive West on E. 51st St towards the Student Union.
  - Follow E. 51st St passing Miller Nichols Library & Learning Center and Swinney Recreation Center.
  - Turn right onto Cherry St. You will be at a dead end facing the Student Union.
  - Take the first left after Cherry Hall to a garage entrance. An additional entrance is located on E. 50th St.
  - Park on level 5.
  - Walk to Miller Nichols Library & Learning Center for Orientation check-in.

While we recommend parking in the Cherry Street Garage because the Orientation Program will end at the nearby Student Union, you may park anywhere on campus for free.
