CAMPUS RECREATION POSITION DESCRIPTIONS

Facility Attendant
Facility Attendants work at the Welcome Desk, Fitness Center, and Service Center to provide welcoming customer service to our members, and a clean and safe work-out facility. Facility Attendants also check out equipment and provide emergency action and safety responses in the case of an emergency.

Certifications: American Red Cross CPR/First Aid/AED certification is required and provided by the department

Intramural Scorekeeper
Intramural scorekeepers provide support to intramural officials during game play. Duties include assisting team players with registration, enforcing Campus Recreation policies and procedures regarding player eligibility, keeping game score, handing out promotional items and surveys and keeping completing nightly paperwork.

Intramural Official
Intramural officials run the daily activities of recreational sports: officiating and controlling the pace of the game, setting up competition area, and implementing policies and procedures of the intramural sports program.

Prerequisites:
- An interest in each sport is preferred

Lifeguard
Responsible for ensuring the safety of facility patrons by preventing and responding to emergencies. This position requires good decision-making skills and the ability to work with little supervision. Individuals must be assertive, friendly and have an extensive working knowledge about facilities and services

Prerequisites:
- Successfully pass a pre-course screening and testing
- Must be able to complete a 300-yard continuous swim using proper strokes
- Must be able to tread water for 2 minutes using only your legs
- Swim 20 yards using crawl or breast strokes, surface dive and complete timed 10-lb. brick retrieval at the depth of 12ft

Certifications: American Red Cross Lifeguard certification is required and provided by the department if needed
CAMPUS RECREATION POSITION DESCRIPTIONS

Group Fitness Instructor
Group fitness instructors are well-rounded teachers for various classes such as cycling, dance, weightlifting, and other low and high impact exercises. Instructors are expected to lead group fitness classes by providing instructions during classes, and an inclusive environment, and tailor each class to participants needs (age, fitness level, injury, or health concern).

Prerequisites:
- Background and certification in any area
- Passion for helping others adopt healthy lifestyles

Certifications: American Red Cross CPR/First Aid/AED certification is required and provided by the department

Personal Trainer
Personal trainers work with a variety of clients to improve their fitness, wellness, and physical health. Responsibilities include evaluating a client’s needs and goals, modeling workings, facilitating fitness assessments, and creating a workout schedule for clients.

Prerequisites:
- ACE Fitness Certification or comparable certification approved by department

Certifications: American Red Cross CPR/First Aid/AED certification is required and provided by the department

Marketing and Communication Assistant
Marketing and communication assistants design high-level marketing materials daily and assist in managing social media accounts. Assistants implement new marketing strategies and campaigns while promoting current programming. This role also works in the membership office, making sales and providing information to potential and current members.
