1. Login to Pathway at [https://umkc.umsystem.edu](https://umkc.umsystem.edu)

2. Click the Schedule Planner link from the Student Services Center.
4. Use the Schedule Planner features to build schedules.

1. If you have an approved plan in PlanMyDegree, you can import those courses here!

2. Add Courses for enrollment in the next semester.

3. Add Breaks to block off time from classes.

4. Generate and preview potential schedules here!

5. When you have found a schedule the student likes, click Send to Shopping Cart.

6. Return to the Advisee Student Center, select another advisee and repeat the previous steps to build another schedule.
