UMKC Transcript Ordering Update

UMKC is no longer accepting the transcript request form by paper.

All transcript requests for current and former students should be submitted through the UMKC Transcript Ordering Center through the National Student Clearinghouse.

Students ordering a transcript in the Student Center in Pathway will automatically be redirected to the UMKC Transcript Ordering Center.

Transcripts are $15, but there will be shipping and handling fees for any transcript that is not sent electronically.

If you have any questions, contact the Office of Registration and Records at registrar@umkc.edu or 816-235-1125.
