

In the event of a campus emergency or pending danger that could affect your health or safety, the University may use UMKC Alert to send a message to your cell phone, text device, University e-mail, local phone number, and alternate personal e-mail address. You can update this information in Pathway.

1. Log into [Pathway](#) and select **Emergency Mass Notification** from the left hand menu.

2. You may enter contact information by entering your data in the following fields.
 - a. **Local Phone Number** will generate a phone call
 - b. **Cell Phone Number** will generate a phone call
 - c. **Text Number** will generate a text message
 - d. **Alternate Email Address** will generate an email
 - e. **Numeric Pager** and **Alphanumeric Pager** will generate a page
3. Once your updates are complete, click **Done Updating**
4. If you prefer that we do not contact you, except with your official University email address, click **Opt-Out**

[For more information regarding UMKC Alert, click the FAQ.](#)

University Email Address

Local Phone Number

Cell Phone Number

Text Number

Alternate Email Address

Numeric Pager

Alphanumeric Pager

Note: The alternate personal email address is for emergencies only; the university will only use your official university email address to conduct official University business.
